

Donate your dormant client account monies and help support access to justice

Promote access to justice

Any funds you donate will help improve access to justice by providing the most vulnerable in society with access to free legal assistance.

Help your firm

Unclaimed client account balances are an administrative burden as they must be analysed and explained to auditors annually. Help your firm by clearing them from your balance sheet.

How to donate

For amounts of £500 or less, you may donate the funds directly to us, where the rightful owner cannot be traced.

Amounts over £500 can be donated provided SRA permission is granted. We will provide a written indemnity as required by the SRA.

To find out more call us on 020 7092 3973, email us at enquiries@atjf.org.uk or visit www.atjf.org.uk/unclaimed-client-accounts

THE
ACCESS
TO JUSTICE
FOUNDATION

The Access to Justice Foundation was set up by the legal profession to improve access to justice for the most vulnerable in society. We work closely with the pro bono and advice sectors to help fund access to legal help for those who need but cannot afford it.

We give grants to national pro bono organisations, strategic projects, and to local and regional advice agencies in your local area.

The Access to Justice Foundation PO Box 64162, London WC1A 9AN
