

Donate your dormant client account monies and help support access to justice

Help your firm

Unclaimed client account balances are an administrative burden. Help your firm by clearing them from your balance sheet.

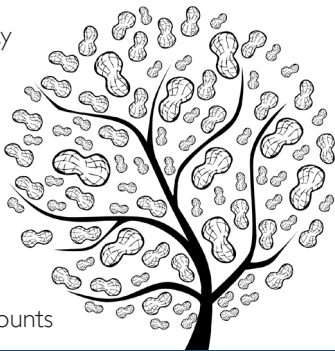

Promote access to justice

Any funds donated will help improve access to justice by providing the most vulnerable in society with access to free legal assistance.

For donations of up to £500 you may donate the funds directly to us.

Amounts over £500 can be donated provided SRA permission is granted. We will provide a written indemnity as required by the SRA.
